# GENERAL INFORMATION ABOUT SERVICES PROVIDED BY THE CHILD SUPPORT ENFORCEMENT DIVISION

## KEEP THIS FOR YOUR RECORDS

The Montana Child Support Enforcement Division (CSED) provides child support services under the Federal and State Child Support Program. Services are provided to either parent, or to a third party with whom the child resides by court order or with the consent of the parent who has legal custody.

### Locate Services

The CSED will search for addresses and assets using available automated resources.

### Order Establishment

The CSED will work to establish the paternity of children who are born out of wedlock.

Once paternity is established, the CSED will move to establish an order for child and medical support. The order will address each parent's share of the total obligation.

### Order Review and Modification

Either parent or a caretaker/guardian of the children may ask the CSED to review the support order for possible modification. **The request for review must be made in writing.** Orders will be reviewed based on current laws, rules and regulations.

### Support Order Enforcement

Actions the CSED may take to enforce a support obligation include, but are not limited to, the following:

- Issue income withholding orders.
- Intercept federal and state income tax refunds and other government payments.
- Impose liens on real and personal property.
- Seize cash assets.
- Report past-due amounts to credit bureaus.
- Suspend licenses.

### Medical Support Enforcement

The CSED automatically provides medical support enforcement services.

If medical insurance coverage is not ordered in the support order, the CSED may require the order to be modified to include medical insurance provisions.

### Interstate Cases

The CSED may request assistance from another state's child support agency to work your case. Once the case is referred to another state, that state controls the actions taken in the case.

### Release of Information

Information (including social security numbers, names and addresses) provided in this application or through other means may become part of the public record and may be shared with others.

**If you are concerned that the release of case information could result in physical or emotional harm to you or your family, or if you have a protective or restraining order against a receiver of the information, you must notify the CSED.**

### Services NOT Provided

The CSED cannot:

- Enforce property settlements.
- Decide custody disputes.
- Enforce custody and visitation provisions of an order.
- Collect attorney's fees.
- Collect spousal support when no child support is owed.
- Collect payments on medical bills that are NOT part of a judgment.
- Calculate and collect interest unless it has been reduced to a judgment.
- Limit services at your request.  
Once a case is opened, the CSED is required to take certain actions.

## **INFORMATION ABOUT ELECTRONIC PAYMENTS**

The Child Support Enforcement Division (CSED) issues child support payments electronically, either to your bank account through direct deposit or to a U.S. Bank ReliaCard® Visa® prepaid debit card. Generally, payments are available the second business day after the CSED processes them.

**Direct deposit** is the electronic transfer of payments to your bank or credit union account. To enroll, complete and return the attached Direct Deposit Authorization form.

**U.S. Bank ReliaCard Visa** is a prepaid debit card. It can be used to make purchases anywhere Visa debit cards are accepted or to withdraw cash at Visa/Plus® ATMs or any Visa bank or credit union. You may request cash back when making a purchase. The first time the CSED processes a payment for you, U.S. Bank will send you a card and instructions for using it.

**If you do not sign up for direct deposit,  
your payments will go to ReliaCard automatically.**

**Fees.** For direct deposit, the only fees or restrictions are those that may be imposed by your financial institution.

With ReliaCard, the first two cash accesses per month (via either ATM or teller withdrawal) are free. There are fees for additional withdrawals, replacement cards, inactive accounts and various other items outlined in the information U.S. Bank will send you. Be sure to read and keep that information for future reference.

**Notification.** The CSED does not notify you of payments transferred to your bank account but payment information is available from our website or automated voice response unit. Contact information is listed below. Also, deposits can be verified with your financial institution and will appear on your bank statement.

U.S. Bank will send you a monthly statement showing your account activity and you may check their website for recent transactions.

**TERMS AND CONDITIONS FOR  
CHILD SUPPORT ENFORCEMENT DIVISION SERVICES**

**INTRODUCTION**

Either parent or a caretaker/guardian of a child may open a case with the Child Support Enforcement Division (CSED) by completing an application. Families receiving certain types of public assistance receive CSED services automatically.

The Terms and Conditions explain your rights and responsibilities and the services the CSED will provide. **Read this form carefully and keep it.**

You may retain your own attorney, at your expense. The CSED represents the public interest. Your objectives, goals, and financial interest may be different from the interest of the CSED. The CSED and the CSED attorney do not represent any individual.

**CONFIDENTIALITY / PRIVACY NOTICE**

When you receive child support services, federal and state laws require you to provide the CSED with certain information, including social security numbers for you and your children. This information is used to establish parentage and establish, enforce and modify support orders. By submitting an application for CSED services, you authorize the use of these social security numbers for providing child support services.

The CSED is committed to protecting your privacy and keeping information about your case confidential in compliance with state and federal law. This is also required of all agencies and organizations that work with the CSED. However, you should be aware that some laws require the sharing of certain information. For example, the CSED may need to provide certain information to

another agency or person working on your case; to a third party such as an insurance company; or to the other parent. Additionally, be aware that once a legal action is started to establish, modify or collect child support, all information included in the proceeding becomes a matter of public record.

Information received becomes a part of the case record. The CSED may disclose this information, including your name, address, and phone number, to other parties in the case. **If you believe the release of this information may put you or your family at risk, you must contact the CSED immediately.** If the CSED determines there is clear evidence of risk, your address and phone number will be removed from documents issued to other parties in the future. Also, if you have a protective or restraining order, you must provide the CSED with a copy.

**YOUR RESPONSIBILITIES**

1. You must keep the CSED informed of any change in your address, phone number, or employment. You must also provide updated information about other participants in the case.
2. You must promptly inform the CSED of any changes in the physical custody of the children, modification of the support order, other collection actions, adoption proceedings, and any other matter that may affect or change the services the CSED is providing.
3. You must forward any information that adds to, differs from, or contradicts information in the

CSED case so that it may be considered.

4. You must provide certified copies of all orders concerning your case. This includes actions that occur after CSED services begin.
5. You must immediately forward any support payment you receive that has not been issued by the CSED (or any payment you are required to make) to the CSED.
  - (a) You may be liable if the CSED takes an enforcement action because you failed to timely forward a payment.
  - (b) Credit may not be given unless payments are made through the CSED.
  - (c) Send all child support payments to:

**Child Support Enforcement Division  
PO Box 5955  
Helena, Montana 59604**

## **CSED SERVICES**

1. The CSED will enter an order setting **both** parents' support obligation when establishing or modifying a support order. Enforcement of the support order will be determined by the custody arrangement.
2. The CSED will collect medical support if it has been reduced to a judgment which is to be paid in a specific dollar amount.
3. The CSED, not a case participant, will determine the proper action or remedy to apply and the sequence of events, including the time frames, within which each case will proceed. This includes attempts to establish paternity when necessary, secure financial and medical support, and modify orders when appropriate.
4. The CSED will intercept federal and state income tax refunds when appropriate and apply them to unpaid support debt with state debt taking priority. Persons receiving support may be required to repay intercepts if federal and state adjustments occur.
5. The CSED may charge an application fee. If another agency or entity charges collection fees, the CSED will pass on the cost to the person receiving support.
6. The CSED will collect interest on support debts only when the amount of unpaid interest is reduced to a lump sum judgment by an order.

The CSED does not have the ability to calculate the amount of interest that may be due or that may become due. This limitation is not to be construed as a waiver of any right to collect interest independent of the CSED.

7. The CSED may seek reimbursement from persons who receive money to which they are not entitled. The CSED will provide an opportunity to repay or deny that money should be repaid to the State of Montana. Failure to repay or deny within 10 days of notification allows the CSED to keep a portion of current support (and any amount that exceeds current support) to reimburse the State. The CSED may also take action to recover these amounts either administratively or through a court order. The CSED is not required to collect amounts owed to the parent who paid the support.
8. The CSED will close a case:
  - a) upon your request if there has been no other application for services.
  - b) when you fail to cooperate or fail to abide by these Terms and Conditions.

**Note:** A case may not be eligible for closure if a child receives Medicaid services or state provided public assistance.

## **OTHER INFORMATION**

The CSED cannot guarantee success in establishing paternity, establishing a support order, or collecting support. The CSED may not be able to continue to provide services because of circumstances outside the CSED's control. All warranties, expressed or implied, are specifically disclaimed. Please be aware the enforcement of child support is a complex undertaking. It will take time to process your case thoroughly.

These Terms and Conditions govern all child support enforcement services. Any changes to the Terms and Conditions will not be binding until the CSED notifies you.

It is the policy of the Montana Department of Public Health and Human Services to provide equal agency services to all persons regardless of race, color, religion, creed, sex, national origin, age, physical or mental disability, marital status, or political belief.

Alternative accessible formats of this document will be provided upon request.

**FEES AND SERVICES**

**PART A**

Use the table below to determine the amount of the application fee you owe. Send your payment to the CSED along with your application for services. Payment must be in the form of a cashier's check or money order. **The CSED cannot accept cash or personal checks.**
